

# ***Scumback***<sup>TM</sup> **ALNICO**

**The classic British guitar tone from the 60's recreated.**

The design & look is classic, but updated. The tone is to die for. The Scumback Alnico, aka Scumnico! Recreating the tone of the venerable Vox/Silver Alnico, but making it available for less than 1/2 the price, the Scumnico uses the renowned SA10H75 Scumback cone, with a 40 oz. Alnico/Neodymium tipped magnet. Together they combine for better bottom end, swirling midrange and treble that's sweet & detailed.

**Specially treated 75hz cone sounds 20 years old.**

**Pre Rola style doping just like the originals.**

**40 oz. alnico/neo magnet, 1.50" voice coil, 10" wide.**

**8 bolt pattern allows mounting to most amps.**

**Available in 30 and 75 watt HP power handling.**

**This speaker is like a 10" Silver Alnico model.**

**10-1/8" (25.7cm) diameter, 5-3/4" (14.6cm) deep, 7 lb (3.18Kg) .**
